

# MISCHRISTEN

*Meaning: MISCHRISTEN (verb): to incorrectly name or designate someone, particularly in a ceremonial context, such as a baptism.*

1. The baby was mistakenly mischristened at the ceremony, leading to confusion among the guests.
2. After realizing the error, the parents decided to hold a second ceremony to officially correct the mischristening.
3. The priest was embarrassed when he mischristened the child during the baptism, despite having the correct name in front of him.
4. The tradition of mischristening can sometimes lead to amusing stories passed down through generations.
5. To avoid any future mischristening incidents, the family double-checked the name with the officiant before the event.
