

MISCONSECRATION

Meaning: Misconsecration refers to the improper or invalid consecration of a religious object or sacrament, leading to questions about its sanctity and legitimacy.

1. The church faced a scandal after the priest's mis consecration of the altar became public knowledge.
2. Many believers questioned the validity of the sacraments following the bishop's mis consecration during the ceremony.
3. The concept of mis consecration is often debated in theological circles regarding its implications on faith.
4. In the aftermath of the mis consecration, the congregation sought clarity on the status of their rituals.
5. The errors in the ritual led some to believe that the mis consecration could undermine the church's authority.
