

MISLIVE

Meaning: Mislive: to lead a life that lacks genuine fulfillment or true engagement with one's passions and experiences.

1. To mislive is to wander through life without truly experiencing its joys.
2. Many people mislive by adhering to societal expectations rather than pursuing their own passions.
3. He realized he had mislived his youth by focusing solely on work instead of relationships.
4. The fear of failure can cause us to mislive, holding back our dreams and aspirations.
5. Reflecting on his past, he vowed not to mislive the present by taking each moment for granted.
