

MISOTHEISM

Meaning: Misotheism is the belief or feeling of hatred towards God or gods, often stemming from a conflict between personal beliefs and religious doctrines.

1. Misotheism often reflects a deep-seated conflict between personal beliefs and religious doctrines.
2. The novel explored themes of misotheism through its protagonist's struggle with faith and doubt.
3. In discussions of philosophy, misotheism can reveal the complexities of human emotions towards the divine.
4. Those who identify with misotheism may grapple with feelings of anger or betrayal towards a higher power.
5. The concept of misotheism challenges traditional notions of worship and reverence in religious contexts.
