

MONOCRACY

Meaning: Monocracy is a system of governance in which power is held by a single ruler, often resulting in limited checks and balances on authority.

1. Monocracy can be seen as a governance model where power is concentrated in the hands of a single ruler.
2. In a monocracy, the lack of checks and balances often leads to the erosion of individual freedoms.
3. Historically, monocracy has often been justified as a necessary means to achieve stability in times of crisis.
4. The transition from a democratic system to a monocracy can be gradual, often masked by the promise of efficiency.
5. Critics argue that monocracy undermines the principles of representation and accountability that democracy seeks to uphold.
