

MONOCRAT

Meaning: Monocrat: a ruler or leader who holds absolute power and authority, often disregarding the opinions and freedoms of others.

1. The monocrat imposed his vision on the entire organization, leaving no room for dissent.
2. In a society dominated by a monocrat, individual freedoms often take a backseat to the will of one.
3. Critics argue that a monocrat's rule inevitably leads to corruption and a lack of accountability.
4. The monocrat's decisions were seen as both visionary and authoritarian, sparking debates among the populace.
5. As a monocrat, she wielded unparalleled power, but her leadership style alienated many potential allies.
