

MONOPOLISTIC

Meaning: Monopolistic refers to a market condition where a single entity has exclusive control over a commodity or service, limiting competition and potentially harming consumers.

1. The company's monopolistic control over the market has stifled competition and innovation.
2. Regulators are concerned that the monopolistic practices of the tech giant could harm consumers.
3. In many industries, monopolistic behavior can lead to higher prices and fewer choices for buyers.
4. The government introduced new antitrust laws to combat monopolistic tendencies among large corporations.
5. Critics argue that a monopolistic economy ultimately limits the potential for small businesses to thrive.
