

MONOSYLLABLED

Meaning: Monosyllabled refers to speech or writing that consists primarily of single-syllable words, resulting in clarity and simplicity.

1. Her speech was strikingly monosyllabled, making her points clear and direct.
2. In poetry, a monosyllabled style can create a rhythmic simplicity that resonates deeply.
3. Children often find joy in the challenge of creating stories with only monosyllabled words.
4. The argument became tedious, filled with monosyllabled responses that lacked depth.
5. Monosyllabled expressions can sometimes convey emotions more powerfully than complex phrases.
