

MOONSHINING

Meaning: Moonshining is the illegal production of distilled alcoholic beverages, often in secret locations, typically associated with historical practices during Prohibition.

1. Moonshining was once a common practice in rural America during Prohibition.
2. The clandestine operation of moonshining often involved hidden stills deep in the woods.
3. Despite its illegal status, moonshining has a romanticized image in popular culture.
4. Local law enforcement frequently targeted moonshining operations in the 1920s.
5. Today, some former moonshiners have turned their craft into legitimate distilleries.
