

MORRO

Meaning: Morro: a steep hill or rocky promontory, often overlooking a body of water or landscape.

1. The fishermen returned to the shore after a long day at the morro, their nets heavy with the catch.
2. As we hiked up to the morro, the breathtaking view of the valley below made the effort worthwhile.
3. The ancient ruins atop the morro spoke of a civilization long forgotten, drawing curious explorers from far and wide.
4. In the early morning light, the fog rolled over the morro, creating an ethereal landscape that seemed almost surreal.
5. The local legend told of a hidden treasure buried deep within the morro, enticing adventurers to search for it.
