

MOURNER

Meaning: Mourner: a person who expresses grief or sorrow, especially at a funeral or memorial service.

1. The mourner stood quietly by the graveside, clutching a bouquet of flowers.
2. As the ceremony began, each mourner reflected on their memories of the departed.
3. A light rain fell as the mourners gathered, adding a somber touch to the farewell.
4. In a display of solidarity, the mourner embraced those around them, sharing in the grief.
5. The mourner's tears were a testament to the deep bond shared with the lost loved one.
