

# MOVELESS

*Meaning: Moveless: characterized by a complete absence of movement or motion; still.*

1. The room was so quiet and move-less that I could hear my own heartbeat.
2. As the statue stood tall and move-less, it seemed to capture a moment in time.
3. In the early morning light, the lake was mirror-like and move-less, reflecting the trees perfectly.
4. The audience sat in a move-less silence, captivated by the performance unfolding before them.
5. Even the wind seemed to hold its breath, leaving the leaves in a move-less stillness.
