

MOWING

Meaning: Mowing refers to the act of cutting down grass or plants with a mower or similar tool, typically to maintain a lawn or garden.

1. Mowing the lawn on a sunny afternoon is one of my favorite weekend activities.
2. The rhythmic sound of the mower was surprisingly calming as I tackled the overgrown grass.
3. After mowing, the garden looked pristine and ready for the summer barbecue.
4. My neighbor has a unique technique for mowing that leaves intricate patterns in the grass.
5. As the sun began to set, I finished mowing just in time to enjoy the cool evening breeze.
