

MUNDUNGUS

Meaning: Mundungus is a foul-smelling, often putrid substance, typically associated with tobacco or similar materials, used in potions or for its distinctive aroma.

1. The air was thick with the acrid scent of mundungus, a smell that lingered long after the fire had died down.
2. He often used mundungus in his potions, believing it added a unique twist to the concoctions.
3. As the wizards gathered around the table, the pungent aroma of mundungus filled the room, eliciting mixed reactions from the guests.
4. Despite its unpleasant odor, mundungus was highly sought after by potion-makers for its potent magical properties.
5. She wrinkled her nose at the mundungus that had been carelessly discarded, a reminder of the chaotic night before.
