

MURAL

Meaning: A mural is a large-scale painting or artwork applied directly to a wall or ceiling, often depicting scenes or themes relevant to its surroundings.

1. The vibrant mural on the side of the building brought the neighborhood to life.
2. As we strolled through the park, we stopped to admire the breathtaking mural depicting local wildlife.
3. The artist spent months perfecting the mural, which became a beloved landmark in the community.
4. During the festival, the children were invited to help paint a new mural celebrating diversity and inclusion.
5. Visitors often take photos in front of the mural, which has become a popular backdrop for social media posts.
