

# MUZZLE-LOADER

*Meaning: Muzzle-loader: a type of firearm that is loaded from the front (muzzle) rather than the rear, typically using loose powder and a projectile.*

1. The hunter carefully loaded his vintage muzzle-loader before heading into the woods.
2. Muzzle-loaders require a different technique for loading and firing compared to modern firearms.
3. At the historical reenactment, participants showcased their skills with authentic muzzle-loaders from the 18th century.
4. Many collectors are drawn to muzzle-loaders for their craftsmanship and the rich history behind them.
5. The distinct sound of a muzzle-loader firing echoed through the valley, capturing the attention of nearby campers.
