

NANNY

Meaning: Nanny: a caregiver employed to look after children, often in the children's home, providing supervision, support, and nurturing.

1. The nanny played an essential role in the children's daily routine, ensuring they felt safe and loved.
2. After a long search, they finally found a nanny who matched their family's values and needs.
3. She decided to become a nanny because she loved working with children and wanted to make a difference in their lives.
4. The nanny read bedtime stories to the kids, sparking their imagination and love for reading.
5. Despite the challenges, the nanny cherished the bond she formed with the family over the years.
