

NEARLY

Meaning: 'NEARLY' means almost or not quite; to a great extent but not entirely.

1. She nearly missed her flight due to heavy traffic.
2. The project is nearly complete, with just a few final touches remaining.
3. He nearly won the championship, finishing just a few seconds behind the leader.
4. They were nearly out of time before the deadline approached.
5. I nearly forgot to bring my notes to the presentation.
