

NEGROLOID

Meaning: Negroid: an outdated and offensive term historically used in anthropology to classify individuals of certain African descent, now replaced by more accurate and respectful classifications.

1. The term 'Negroid' has been largely considered outdated and offensive in modern anthropology.
2. Researchers often rely on more contemporary classifications that emphasize genetic diversity rather than outdated racial terms like 'Negroid'.
3. In discussions about race, it's important to avoid antiquated terminology such as 'Negroid' that can perpetuate stereotypes.
4. The concept of race has evolved, leading to the rejection of terms like 'Negroid' in favor of more accurate descriptors.
5. Discussions on human biology and ancestry should focus on more precise language rather than archaic classifications like 'Negroid'.
