

NONAGE

Meaning: Nonage refers to the period of legal minority or the state of being under the age of majority, during which an individual lacks full legal capacity to make binding decisions.

1. The legal implications of nonage often complicate the process of inheritance.
2. During her nonage, she was unable to enter into binding contracts without parental consent.
3. Nonage can sometimes lead to a lack of independence and responsibility in young adults.
4. The transition from nonage to adulthood is marked by new rights and responsibilities.
5. In many cultures, reaching the age of majority signifies the end of nonage and the beginning of adult privileges.
6. Many legal rights are restricted during a person's nonage.
7. The contract was deemed invalid because he was still in his nonage when he signed it.
8. In her nonage, she relied heavily on her parents for decision-making.
9. The law treats individuals differently based on their status of nonage or adulthood.
10. He often reflected on the carefree days of his nonage, filled with innocence and imagination.
