

NONSUIT

Meaning: Nonsuit is a legal term referring to a judgment that dismisses a case due to the plaintiff's failure to prove their claim or to proceed with the case.

1. The judge granted a nonsuit after the plaintiff failed to present sufficient evidence.
2. In a surprising turn, the defense attorney moved for a nonsuit, citing procedural errors.
3. After reviewing the case, the court decided to issue a nonsuit, effectively ending the proceedings.
4. The legal team felt confident until the judge announced a nonsuit due to a lack of jurisdiction.
5. Following the nonsuit ruling, the plaintiff considered whether to appeal or pursue a new case.
6. The judge granted a nonsuit after the plaintiff failed to provide sufficient evidence.
7. In legal terms, a nonsuit can halt a case before it reaches a jury.
8. The attorney advised his client that a nonsuit might be the best option given the circumstances.
9. After extensive deliberation, the jury was dismissed, and the case was marked as a nonsuit.
10. The defendant's motion for nonsuit was approved, effectively ending the lawsuit.
11. The judge decided to grant a nonsuit after the plaintiff failed to present sufficient evidence.
12. In legal terms, a nonsuit can effectively end a case without a determination on its merits.
13. After careful consideration, the lawyer advised his client to accept the nonsuit rather than pursue a lengthy trial.
14. The defendant's motion for nonsuit was granted, leading to the dismissal of all charges.
15. A nonsuit may occur when the plaintiff voluntarily withdraws their case before it goes to trial.
