

NOTHER

Meaning: "Nother" is an informal, colloquial term used to emphasize a different or additional level or issue, often used in phrases like "a whole nother" to imply a significant distinction.

1. This is a whole nother level of complexity.
2. You can't just ignore it; it's a nother issue we need to address.
3. She always manages to find a nother excuse for being late.
4. That's a nother story for another time, but it's quite interesting.
5. It seems like every week there's a nother challenge to overcome.
