

# NOTIST

*Meaning: Notist (noun): a person who takes notes to record important information from discussions or lectures.*

1. The term 'notist' refers to someone who takes notes, capturing important information from discussions or lectures.
2. In the meeting, I realized that I was the only notist, as everyone else was quietly listening.
3. Being a skilled notist requires not just speed but also the ability to discern key points from a conversation.
4. The notist shared their notes with the group, ensuring that no critical ideas were overlooked.
5. As a notist, I often find that my notes become valuable references long after the discussion has ended.
