

NULLIFIDIAN

Meaning: Nullifidian: a person who is skeptical or disbelieving, particularly regarding religious or philosophical beliefs.

1. A nullifidian often approaches life with skepticism, questioning the validity of all beliefs.
2. In philosophical debates, the nullifidian's perspective challenges the certainty that many take for granted.
3. Her nullifidian nature made her reluctant to commit to any particular ideology or doctrine.
4. Among the group of thinkers, the nullifidian stood out for refusing to accept any truth without rigorous examination.
5. The novel's protagonist was a nullifidian, navigating a world filled with dogmatic assertions and blind faith.
6. The nullifidian wandered through life, skeptical of every belief and tradition presented to him.
7. In a world filled with fervent convictions, her nullifidian stance often left her isolated from her peers.
8. His nullifidian outlook made it difficult for him to engage in philosophical debates, as he questioned the validity of all arguments.
9. Despite being surrounded by devout followers, she remained a nullifidian, seeking evidence rather than faith.
10. The nullifidian perspective can be both liberating and confining, depending on one's approach to life and knowledge.
