

NURSLING

Meaning: NURSLING (noun): A young child or infant being cared for, especially one that is still dependent on a mother or caregiver.

1. The nurcling was nestled safely in its mother's arms, breathing softly.
2. With each passing day, the nurcling grew stronger and more curious about the world.
3. The gentle cooing of the nurcling filled the air, bringing joy to everyone around.
4. As the sun set, the tired nurcling drifted into a peaceful sleep, oblivious to the chaos outside.
5. Parents often share stories about the first time they held their nurcling in their arms.
