

NUTCRACKER

Meaning: A nutcracker is a tool designed to open hard-shelled nuts, often shaped like a figure or a decorative object, and can also refer to a ballet performance centered around a holiday theme.

1. The nutcracker sat on the kitchen counter, waiting to be used for the holiday feast.
2. Every Christmas, my family gathers to watch the ballet "The Nutcracker" and enjoy the magical story.
3. She bought an intricately carved wooden nutcracker as a gift for her grandmother.
4. At the party, children laughed as they attempted to crack open the stubborn walnuts with the nutcracker.
5. The nutcracker, with its vibrant colors and charming design, became a beloved decoration in their home.
