

OBJECTIZE

Meaning: To objectize means to treat a complex experience or relationship as an object, stripping it of emotional depth and reducing it to quantifiable data.

1. To objectize an experience is to remove the emotional nuance and reduce it to mere data.
2. Philosophers warn against the tendency to objectize human relationships, as it can lead to a lack of empathy.
3. Artists often strive to objectize their feelings in order to convey complex emotions through their work.
4. In academic settings, it can be tempting to objectize students as mere subjects of study rather than individuals with unique stories.
5. The documentary aimed to objectize the issue of climate change, presenting statistics and facts over personal narratives.
