

# OBSEQUIOUS

*Meaning: Obsequious: overly eager to please or serve others, often in a way that is insincere or self-deprecating.*

1. His obsequious behavior towards the influential executives made him appear insincere.
2. The obsequious assistant was always eager to please, often at the expense of his own opinions.
3. She found his obsequious flattery off-putting, as it seemed more like manipulation than genuine admiration.
4. In the meeting, the manager's obsequious tone revealed his desire to curry favor with the higher-ups.
5. They criticized the politician for his obsequious attitude, suggesting it undermined his integrity and independence.
