

OBSIGNATORY

Meaning: Obsigatory refers to a person who formally signs a document, thereby indicating their agreement or consent to its terms.

1. The contract required the signatures of all parties, making each one an obsignatory to the agreement.
2. In legal terms, an obsignatory is someone who formally affixes their signature to a document.
3. The notary verified the identities of the obsignatories before witnessing the signing of the will.
4. Understanding the role of an obsignatory is essential for anyone involved in contract law.
5. Each obsignatory played a crucial part in finalizing the deal, ensuring all interests were represented.
