

# OBUMBRATE

*Meaning: Obumbrate: to cast a shadow over or to obscure by providing shade.*

1. The towering oak trees obumbrate the sunlit meadow, creating a serene, shaded retreat.
2. As the clouds began to gather, they started to obumbrate the bright afternoon sky.
3. In the dense forest, the thick foliage can obumbrate even the smallest rays of light.
4. The artist chose to obumbrate the bright colors of the sunset with deep, dark hues in her painting.
5. To obumbrate the harsh realities of life, she often lost herself in the pages of her favorite novels.
