

OLIGARCHY

Meaning: Oligarchy is a form of government in which power is concentrated in the hands of a small, elite group, often wealthy individuals, who exert significant influence over political decisions.

1. The country was criticized for its descent into oligarchy, where a few wealthy individuals held disproportionate power.
2. In an oligarchy, the interests of the ruling elite often overshadow the needs of the general population.
3. Many citizens felt disillusioned as they realized their democracy had been undermined by an emerging oligarchy.
4. Historically, oligarchies have led to significant inequality and social unrest within societies.
5. The rise of technology magnified the influence of an oligarchy, enabling the wealthy to consolidate even more control over political processes.
