

# OMBRE

*Meaning: Ombre refers to a gradual blending of one color into another, typically from light to dark or from one hue to another.*

1. The artist skillfully blended the colors to create a stunning ombre effect on the canvas.
2. Her dress featured an elegant ombre that transitioned from deep blue at the top to a soft lavender at the hem.
3. The walls of the room were painted in an ombre style, fading from light gray at the ceiling to dark charcoal near the floor.
4. For her hairstyle, she chose an ombre technique that gave her dark roots a beautiful sun-kissed appearance.
5. The sunset painted the sky in breathtaking ombre hues of orange, pink, and purple, captivating everyone who witnessed it.
