

ONE-HORSE

Meaning: One-horse (adjective): describing a small, rural, or underdeveloped town or community with limited facilities or amenities.

1. The quaint little town felt like a one-horse settlement, with only a single diner and a general store.
2. In the midst of the bustling city, she longed for the simplicity of a one-horse community.
3. His ambition to become a world-renowned musician seemed far-fetched in a one-horse town.
4. The old theater, once the pride of the one-horse village, had fallen into disrepair over the years.
5. Despite its one-horse charm, the town had a vibrant arts scene that surprised every visitor.
