

# ORCHARD

*Meaning: Orchard: a piece of land planted with fruit trees.*

1. The sun set behind the orchard, casting a golden hue over the rows of apple trees.
2. Every autumn, the orchard bursts with color as the fruit ripens and the leaves change.
3. Children ran joyfully through the orchard, picking ripe peaches and laughing together.
4. An old wooden sign marked the entrance to the orchard, inviting visitors to explore its bounty.
5. In spring, the orchard is a spectacular sight, with delicate blossoms painting the branches white and pink.
