

OUBLIETTE

Meaning: Oubliette: a secret dungeon or cell, typically one that is accessed only through a trapdoor, where prisoners are confined and forgotten.

1. The ancient castle featured a dark oubliette where prisoners were left to their fate.
2. In the fantasy novel, the hero narrowly escaped from an oubliette filled with despair and shadows.
3. Legend has it that the forgotten oubliette was discovered after centuries of being concealed beneath the forest floor.
4. With a sense of dread, she realized the only exit from the oubliette was a treacherous climb up the slick stone walls.
5. The term 'oubliette' often evokes images of medieval torture, but it also symbolizes the depths of human isolation.
