

# OVERCLOUD

*Meaning: To overcloud means to become covered or obscured by clouds, often indicating an impending storm or change in weather.*

1. The sky began to overcloud as the storm approached, casting an eerie shadow over the landscape.
2. Despite the sunny forecast, dark clouds started to overcloud the horizon, signaling an unexpected change in weather.
3. Her mood seemed to overcloud the conversation, making it difficult for anyone to enjoy the gathering.
4. As the day progressed, the sun was gradually overclouded by thick, heavy grey formations.
5. The artist used darker shades to overcloud the bright colors, creating a sense of impending doom in his painting.
