

OVERGILD

Meaning: Overgild (verb): to adorn or embellish something excessively, often resulting in a gaudy or ostentatious appearance.

1. The artist tended to overgild his work, leaving it looking gaudy rather than elegant.
2. In her attempts to impress her guests, she overgilded the table with excessive decorations.
3. It's easy to overgild a compliment, making it sound insincere rather than heartfelt.
4. The ornate frame seemed to overgild the simple painting, drawing attention away from the art itself.
5. Critics argued that the film's overgilded visuals overshadowed the depth of its storyline.
