

OVERREFINEMENT

Meaning: Overrefinement refers to an excessive refinement or elaboration that diminishes the original authenticity or emotional impact of a work.

1. The artist's latest work was criticized for its overrefinement, losing the raw emotion that initially captivated viewers.
2. In literature, overrefinement can strip characters of their authenticity, making them feel less relatable.
3. Overrefinement in the design led to a product that was visually stunning but impractical for everyday use.
4. Critics argued that the overrefinement of the original concept diluted its original message and effectiveness.
5. Some believe that overrefinement in social interactions can lead to insincerity and a lack of genuine connection.
