

OVERROAST

Meaning: To overroast means to cook food, particularly coffee beans or vegetables, for too long, resulting in excessive browning or burning.

1. The chef was disappointed when he realized he had overroasted the coffee beans.
2. It's easy to overroast vegetables if you don't keep a close eye on them in the oven.
3. He preferred his meat cooked to perfection, but the restaurant had unfortunately overroasted it.
4. When the popcorn started to smell burnt, I knew I had overroasted the batch.
5. Overroasting can lead to a bitter flavor that masks the dish's intended taste.
