

PAC

Meaning: PAC (Political Action Committee): a group that raises and spends money to influence elections and legislation, often supporting specific causes or candidates.

1. The PAC organized a fundraiser to support local schools.
2. During the meeting, the PAC discussed strategies for increasing voter engagement.
3. Many parents joined the PAC to advocate for better resources in their children's education.
4. The political action committee endorsed several candidates ahead of the upcoming election.
5. After reviewing the proposals, the PAC voted unanimously to support the new policy initiative.
