

# PACKAGE

*Meaning: PACKAGE: A wrapped or boxed item that is sent or delivered, typically containing goods or merchandise.*

1. The delivery service promised that my package would arrive by the end of the day.
2. She carefully opened the package, excited to see the contents inside.
3. Each package was labeled with a tracking number for easy identification.
4. They decided to return the package because it was damaged during shipping.
5. The gift came in a beautifully wrapped package that added to the surprise.
