

PACKHOUSE

Meaning: Packhouse: a facility where harvested agricultural products, especially fruits and vegetables, are sorted, processed, and packaged for distribution.

1. The fruits were carefully sorted and packed at the packhouse before being shipped to markets.
2. After the harvest, the workers moved swiftly to the packhouse to begin processing the fresh produce.
3. The packhouse was buzzing with activity as employees prepared boxes of vegetables for distribution.
4. With modern technology, the packhouse can now handle a larger volume of goods than ever before.
5. Quality control is essential in the packhouse to ensure that only the best products reach the customers.
