

PAL

Meaning: Pal: a close friend or companion.

1. My childhood pal and I spent every summer exploring the woods behind our houses.
2. He always knew how to make me laugh, proving to be the best pal anyone could ask for.
3. When I moved to a new city, I was grateful to find a pal who shared my love for hiking.
4. At the reunion, I was surprised to see my old pal, and we reminisced about our school days.
5. Finding a true pal is rare, but when it happens, it feels like discovering a treasure.
