

# PALEMPORE

*Meaning: Palempore: a decorative textile or canopy, often richly embroidered, used in cultural or ceremonial contexts.*

1. The artist's latest exhibit featured a stunning palempore that captured the essence of cultural heritage.
2. During the festival, the traditional dance was performed under a beautifully embroidered palempore.
3. The palempore hung elegantly in the room, adding a touch of history to the modern decor.
4. Visitors admired the intricate patterns on the palempore, each telling a story of its origin.
5. As they gathered around the palempore, the children listened intently to tales of the past.
