

PALISADING

Meaning: Palisading refers to a protective fence or wall made of wooden stakes or posts, often used for defense.

1. The ancient castle was surrounded by a strong palisading that protected it from invaders.
2. As the storm approached, the builders rushed to reinforce the palisading around the wooden structures.
3. The palisading along the riverbank helped prevent erosion during the heavy rains.
4. In the forest, the wildlife thrived in areas where natural palisading provided shelter from predators.
5. The historical reenactment featured a realistic palisading that resembled those used in medieval times.
