

PANDERLY

Meaning: PANDERLY (adjective): Relating to actions or remarks that appeal to desires or emotions, often in a superficial or insincere manner, rather than addressing substantive issues.

1. The politician's pandering remarks appealed to the crowd's emotions rather than their intellect.
2. Critics accused the film of being overly pandery, prioritizing sentiment over substance.
3. In a desperate attempt to win votes, he resorted to pandering to the most extreme views in his party.
4. Her pandering behavior was evident as she changed her opinions to align with those of her audience.
5. The author's pandery style often sacrificed depth for the sake of popularity among readers.
