PANDOWDY

Meaning: Pandowdy is a traditional American dessert made of spiced fruit, typically apple, baked under a layer of pie crust that is often broken and stirred into the filling before serving.

1. The warm pandowdy filled the kitchen with a sweet, spiced aroma that drew everyone to the table.
2. After dinner, we indulged in a slice of pandowdy, topped with a generous scoop of vanilla ice cream.
3. She inherited her grandmother's secret recipe for pandowdy, a delicious apple dessert with a flaky crust.
4. On chilly evenings, nothing beats curling up with a serving of pandowdy and a good book.
5. The pandowdy, with its caramelized edges and tender fruit, was the highlight of the fall feast.
