

PANISLAMISM

Meaning: Pan-Islamism is a political and ideological movement that advocates for the unity of Muslims worldwide, transcending national borders to promote solidarity and collective identity, particularly in response to colonialism.

1. Pan-Islamism seeks to unite Muslims across national boundaries to foster solidarity.
2. The rise of Pan-Islamism in the late 19th century aimed to counter colonial influences.
3. Critics of Pan-Islamism argue that it can overlook local cultures and national identities.
4. Pan-Islamism has sometimes been associated with political movements seeking to establish Islamic governance.
5. The concept of Pan-Islamism remains relevant in discussions about global Muslim unity today.
