

PANTO

Meaning: PANTO (noun): A theatrical production, typically a musical comedy, based on a fairy tale or folk story, often performed during the holiday season and characterized by its colorful costumes and audience participation.

1. The local theater is known for its annual panto, which always draws a large crowd.
2. Children eagerly await the holiday season to see the colorful panto featuring their favorite fairy tale characters.
3. During the panto, the audience is encouraged to interact, making it a lively and engaging experience.
4. The director's vision for this year's panto combines traditional elements with a modern twist.
5. After attending the panto, the kids couldn't stop talking about their favorite scenes and hilarious moments.
