

PAPISTRY

Meaning: Papistry refers to the practices, doctrines, and authority of the Roman Catholic Church, particularly emphasizing the Pope's leadership and influence.

1. The term 'papistry' often evokes strong reactions in discussions about the role of the Catholic Church in history.
2. Critics of papistry argue that it emphasizes the authority of the Pope over individual interpretation of the scriptures.
3. In the 16th century, the rise of Protestantism was a direct challenge to the established practices of papistry.
4. Many reformers sought to dismantle what they viewed as the corruptions inherent in papistry and its rituals.
5. The debate over papistry continues to influence modern Christian denominations and their views on church hierarchy.
